06-01-II According to decisions No. 5-11 of the General Assembly on 10.04.2018, to table the call for quotations No. 7.1.1 of the Procurement Committee held on 02.08.2022, and for the recommendations No. 7.1.2 to 7.1.9 (Procurement Committee Report Annexure No. 02 I propose to this Hon'ble House that it is appropriate to give approval and proceed further according to those recommendations.

➤ **Honorable Chairman Mr. H. A. H. Devendra Perera**The above proposal presented by **Honorable Pradeshiya Sabha member M. Samanpa Dinendra**It was seconded by Mr. and as there was no division regarding the proposal, it was passed unanimously.

06-01-III 20 shops on the ground floor of the super mall from shops No. 1 to No. 21 (excluding No. 7) to be contracted with the existing lessees from 09.04.2022 as per the prices of the new valuation report and as per the draft agreement (Annexure 03), Nos.KL/RP/3080And I propose to this Honorable House that the valuation report submitted by the Government Valuation Department dated 31.05.2022 should be accepted.

➤ **Honorable Chairman Mr. H. A. H. Devendra Perera**The above proposal presented by **Honorable Pradeshiya Sabha member Praneet Welivitage**It was seconded by Mr. and as there was no division regarding the proposal, it was passed unanimously.

06-01-IV The approval of the Hon'ble Minister in charge should be obtained for giving the Kidelpitiya Valmilla Samargarding land to the National Water Supply Board for the construction of a water tower on lease basis from 2012 till now and for the next 30 years. For that purpose, I suggest to this Honorable Council that it is appropriate to appoint a board consisting of the following officers to obtain a feasibility report.

Chairman -CH Nishantha Silva

- Works Superintendent, Bandaragama Regional Council

member -A member of Kidelpitiya Division
member - Mrs. Inoka Sandamali - Development Officer, Bandaragama District Council

The above suggestion respect Regional Councils Councilor Somasiri Dayaratne Ganegoda Affirmed by HonJ.

Mr. DJ Samith Janaka Fernando - Janatha Vimukthi Peramuna

201230 years since is not clear enough. Explain it.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

The National Water Supply Board was given permission to build the water tower on this land belonging to the council after the approval of the General Assembly at that time. But there was no contract. Taxes and rents related to them have not even been collected. They have not made payments for the time being. We have searched again, called them to the council and discussed them and expressed their willingness to pay the government's assessment money for 30 years from the day they were there. This proposal is made to make those people. A feasibility report needs to be prepared to send this to the minister in charge. That is what this committee is appointed for.

Honorable Regional Council Member Mr. Chaminda Dissanayake - Janatha Vimukthi Peramuna

When will this water tank be built under the approval of the General Assembly?

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

2012.02.16 Monthly General Assembly Decision No. 4-1 It has been given according to the decision of the Board.

Mr. DJ Samith Janaka Fernando - Janatha Vimukthi Peramuna

Make a withdrawal whether or not there is an induction process.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

Letters have been sent from the council. The letters have not been implemented. The council has continuously made requests but has not been involved in them. I invited them after researching about this. They did not have any documents. They agreed to make the related payments.

Mr. DJ Samith Janaka Fernando - Janatha Vimukthi Peramuna

Do they agree to pay for the previous ones as well?

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

According to the 2015 assessment report, the annual tax amount is Rs.240,000/- for 5 years. An assessment has been taken in 2021 and an annual tax amount of Rs.398,000/- has been conserved for 5 years. According to the assessment reports, relevant charges are made.

Mr. DJ Samith Janaka Fernando - Janatha Vimukthi Peramuna

The thing is that this has not been formally done. It is better not to leave it behind but to recover it along with the previous one. This water tower is near the house of MP Chaminda. Since he lives in that division and is qualified to represent this committee as a public representative, I have proposed MP Chaminda Dissanayake to the feasibility report preparation committee.

Honorable Regional Councilor Mr. HA Gamini Sarathchandra - United National Party

I confirm that proposal.

Honorable Regional Council Member Mr. Ruwan P. Perera - Sri Lanka Podujana Peramuna

I have proposed Ms. Achini Madhubhashi Peiris MP and Mr. Priyantha Alvis to the feasibility report preparation committee.

Mr. M. Samanpa Dinendra - Sri Lanka Podujana Peramuna

I confirm that proposal.

- **respect Chairman H.it.H.Devendra Perera Mr By present doing Received above mentioned the proposal respect Regional Councils Councilor Somasiri Dayaratne GanegodaConfirmed by HonFor the committee membership of the board to get the feasibility report, Mr. Chaminda Dissanayake, Member of the Regional Council, Mrs. BA Acini Madhubhashi Peiris, Member of the Regional Council Mr. WA Priyantha Alvis and CH Nishantha Silva as the Chairman of the said committee. After Maya and Mrs. Inoka Sandamali were appointed for the above committee, the proposal was passed without division.**

06-01-V Kidelpitiya Velmilla Samargarding land given to the National Water Supply Board for the construction of a water tower for 30 years subject to renewal of the lease agreement every five years.I propose to this Honorable House that it is appropriate to give it on tax basis subject to the approval of the Hon'ble Minister-in-Charge for a period of time.

- **Honorable Chairman Mr. H. A. H. Devendra PereraThe above proposal presented by Honorable Pradeshiya Sabha member Somasiri Dayaratne GanegodaIt was seconded by Mr. and as there was no division regarding the proposal, it was passed unanimously.**

06-01-VI About 4 acres of the 07-acre Thippilya swamp, which has been lying fallow for more than 40 years, has a small lake, a children's playground, a walking track, an environmental center and a green environment with stops and buildings on the tourist boat route of local and foreign tourists along the proposed Bolgoda River. Bandaragama Divisional Secretary's No. to be handed over to Bandaragama Divisional Council subject to payment of compensation as per Land Acquisition Act for Environment Creation BND/LAND/BOLGODA/E .P-01 And by the letter dated 23.08.2022, I have been informed that the Land Reform Commission has expressed its agreement. Accordingly, in order to acquire the said land to implement the project in question, to acquire the land according to the Land Acquisition Act, and to pay the fees of an authorized surveyor to measure the area of 4 acres of the said land and prepare the plans from the council fund, and that it is appropriate to pay the compensation to be given from the council fund. , I also suggest to this Honorable Council that it is appropriate to implement the above project.

The above suggestionHonorable Pradeshiya Sabha Member M. Samanpa DinendraConfirmed by Hon.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podu Jana Peramuna

We have received the letter expressing willingness to give 4 acres out of the 7 acres of Thippilyaya Kumbure land for the Bolgoda Ganga boat tour project. It has been measuredLRCThis proposal was also presented to deal with related payments.

- **Honorable Chairman Mr. H. A. H. Devendra Perera**The above proposal presented by **Honorable Pradeshiya Sabha member M. Samanpa Dinendra**It was seconded by Mr. and as there was no division regarding the proposal, it was passed unanimously.

06-01-VII As the current tender for the sale of Indul waste ends on 31.12.2022, it is advisable to tender again for a period of one year from 01.01.2023. According to the Revenue Inspector's report, considering the minimum bid as Rs.990/- for a barrel of 200 liters, at the time of signing the contract, it is appropriate to call for tenders by institutions/individuals in Kalutara district and enter into contracts annually, stating the condition of depositing an amount of Rs.150,000.00 as security deposit. I propose to this hon.

- **Honorable Chairman Mr. H. A. H. Devendra Perera**The above proposal presented by **Honorable Pradeshiya Sabha member W.A. Priyantha Alvis**It was seconded by Mr. and as there was no division regarding the proposal, it was passed unanimously.

06-01-VIII 2022The billed amount of the super mall for the year is Rs.2,766,000/- out of which the amount billed for the 07 shop in the year 2022 is Rs.144,000/-. According to the agreement, the amount collected for the year 2022 of shop No. 7 is Rs.39.000/-, but due to re-tendering due to taking over shop No. 07 to the council due to breach of contract, the rent income of the commercial place which cannot be recovered is Rs.104,800/-. (From 08.04.2022 to 31.12.2022, Rs. 12,000.00 per month, the income from re-tendering to the income head 152-06-4205(2-1) will be taxed and collected under the rent income head.) Accordingly, from the billed amount in 2022, legally I propose to this Honorable House that it is appropriate to write off the amount of Rs.104,800/- from the books subject to the approval of the Hon'ble Minister-in-Charge, considering it as unrecoverable income.

- **Honorable Chairman Mr. H. A. H. Devendra Perera**The above proposal presented by **Honorable Pradeshiya Sabha member M. Samanpa Dinendra**It was seconded by Mr. and as there was no division regarding the proposal, it was passed unanimously.

06-01-IX In terms of Sections 119, 126 read with Section 108 of the Local Council Act No. 15 of 1987 and at the ground floor of Bandaragama Town Center for the sale of Goat Chicken (Shop No. 24) No.KL/RP/3080and31.05.2022Based on the dated assessment report (Attachment 04) and the income inspector's report, the minimum tax rent is estimated to be Rs. 525,956.75 and at the time of entering into the agreement, the amount to be deposited as a security deposit is also stated to be deposited in this council, which is equal to the amount of the monthly rent for 6 months. I propose to this honorable council that it is appropriate to invite tenders and lease for a period from 08.02.2023 to 31.12.2023 through newspaper advertisement.

- **Honorable Chairman Mr. H. A. H. Devendra Perera**The above proposal presented by **Honorable Pradeshiya Sabha member AJM Simsar**It was seconded by Mr. and as there was no division regarding the proposal, it was passed unanimously.

06-01-X I propose to this Honorable Council that it is appropriate to publish advertisements in two popular Sinhala and Tamil newspapers for the registration of suppliers and contractors in relation to the year 2023 for the maintenance of supplies and services/execution of projects of the Bandaragama local council.

- **Honorable Chairman Mr. H. A. H. Devendra Perera**The above proposal presented by **Honorable Pradeshiya Sabha member M. Samanpa Dinendra**It was seconded by Mr. and as there was no division regarding the proposal, it was passed unanimously.

06-01-XI For the year 2023, I propose to this Honorable Council that it is appropriate to publish the tender notice for the bids for the disposal of perishable waste collected by the Bandaragama local council and the sale of waste in two popular newspapers, Sinhala and Tamil.

- **Honorable Chairman Mr. H. A. H. Devendra Perera**The above proposal presented by **Honorable Pradeshiya Sabha member K. Suranjit Silva**It was seconded by Mr. and as there was no division regarding the proposal, it was passed unanimously.

06-01-XII Since the service agreement signed on 05.02.2022 with Ranaro Security (Pvt) Company for the provision of security service of Bandaragama Pradeshiya Sabha expires on 14.02.2023, the tender notice for calling the prices applicable for obtaining the security service for the year 2023 is published in two Sinhala and Tamil newspapers. I suggest to this Honorable House that it is appropriate to obtain the security service by following the procurement procedures for publication.

- **Honorable Chairman Mr. H. A. H. Devendra Perera**The above proposal presented by **Honorable Pradeshiya Sabha member K. Suranjit Silva**It was seconded by Mr. and as there was no division regarding the proposal, it was passed unanimously.

06-01-XIII Since the lease period for the sale of goat and chicken meat in the shop No. 24 of the Bandaragama Super Mall ends on 07.02.2023, the tender notice related to calling for prices for the lease of the same shop for the above purpose for a period of one year for the year 2023 is in Sinhala and I suggest to this Hon'ble House that publication in two Tamil newspapers is appropriate.

- **Honorable Chairman Mr. H. A. H. Devendra Perera**The above proposal presented by **Honorable Pradeshiya Sabha member M. Samanpa Dinendra**It was seconded by Mr. and as there was no division regarding the proposal, it was passed unanimously.

06-01-XIV I suggest to this Honorable Council that it is appropriate to prepare a group photo of the members of the Bandaragama Regional Council in the sixth session and give it to all members and that the amount spent for that should be spent from the council fund.

- **Honorable Chairman Mr. H. A. H. Devendra Perera**The above proposal presented by **Honorable Pradeshiya Sabha member Praneet Welivitage**It was seconded by Mr. and as there was no division regarding the proposal, it was passed unanimously.

06-01-XV In relation to the month of reading, Bandaragama Gnana Pradeepa Library and Talpitibadda Public Library jointly implement the following programs in accordance with Section 132(A) of the Regional Council Act No. 12 of 1989 No. 01 to 06 in the 2022 budget estimate 152-07-00-00- Under 1503(2) and under 152-07-00-00-1549(10) for the program mentioned in No. 07, I propose to this Honorable Assembly that it is appropriate to spend an amount of Rs.46,650.00 from the Assembly Fund subject to the approval of the Honorable Minister-in-Charge.

Sub no	program	Price per unit	Unit size	Total cost of the program (Rs.)

06-01-XVI

I propose to this Honorable House that it is appropriate to cut and remove dangerous trees at the following places in Talpitibadda sub-office jurisdiction or conduct auctions at the same place.

location	Tree type, size and nature of hazard
Pamunugama Cemetery	Pulungasa (30 feet high and 10 feet 7 inches in circumference) is dangerous to the residents on the other side of the road.
	Mahogany tree (20 feet tall and 4 feet 4 inches 6 inches in circumference due to danger to residents on the other side of the road)
	Mahogany tree (20 feet tall and 5 feet 2 inches in girth) on the other side of the road for being dangerous to residents
Wijesiriwatta Preschool is located near the road	Mahogany tree (height 20 feet and girth 6 feet 5 inches) due to rotting of lower part
Newada near Moonamalgahawatta Bathing Pond	The salt midella tree (height 20 feet and circumference 08 feet) because all the branches are heavy towards the house and can be dangerous in bad weather.

Honorable Pradeshiya Sabha Member W.A. Priyantha Alvis Affirmed by Hon.J.

Honorable Regional Assembly Member Mr. DJ Samith Janaka Fernando - Sri Lanka Podujana Peramuna

These trees are around 8 feet. I request that this matter be done formally. Submit a report in this regard to the council as well. Present a report to the Sabah regarding the process.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

I meant to auction these trees. Those who buy trees from the auction should be cut down and removed. Or we need to find people to cut from the council. There are too many public complaints due to the ongoing accidents. Therefore, the auctioneer asks the person to cut down the tree at the same time.

Honorable Regional Assembly Member Mr. DJ Samith Janaka Fernando - Sri Lanka Podujana Peramuna

It is good to evaluate them and get their value. It is requested to make this transparent so that there is no irregularity. It is requested to present the information to the Sabah.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

Before the trees are auctioned by the Council, they are assessed and published. Then they should go and look at the trees and offer the prices.

- **Honorable Chairman Mr. H. A. H. Devendra Perera**The above proposal submitted by **Honorable Pradeshiya Sabha Member W.A. Priyantha Alvis**Confirmed by **Hon**According to the above proposal, the general assembly that it is appropriate to auction the trees cut in the respective places at the same placeUnanimouslydecided.

Honorable Regional Assembly Member Mr. Ajith Seneviratne - Sri Lanka Podujana Peramuna
Honorable Chairman, can the money be allocated for presenting these proposals?

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

Last week, the Honorable Prime Minister invited the chairmen. There a request was made by the chairpersons to give permission to carry out essential development projects with Arts Council funds. Accordingly, as far as I know, all the governors have been called and the President and the Prime

Minister have instructed them to read these circulars and issue the necessary circulars to the councils to provide services in their areas from the council allocations. Accordingly, we will be able to do these things in the future.

Hon'ble Regional Assembly Member Mr. H.E Gamini Sarathchandra - United National Party

Honorable Chairman, the agreement of these estimates to the 2nd estimate is placed below. 17 lakhs will be spent on it. Is it only the drainage system or is it being concreted along with the road? A priority has been given to it because it has also been given to contracts. Is there a great harm to the people who are trying to do this quickly?

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

There is a continuous request from the farmers and the people to leave the canal. Accordingly, the proposal has been submitted.

- **Honorable Chairman Mr. H. A. H. Devendra Perera**The above proposal presented by **Honorable Pradeshiya Sabha member Mrs. D. Champa Jayangani Kannangara** was seconded by and as there was no division on the resolution the House passed unanimously.

06-01-XXII

The following sub-documents have been decided by the local council from time to time before that this local council should be developed within the area of jurisdiction of the Bandaragama local council. That the said contract shall be executed in accordance with the said contractor/committee in accordance with the draft agreement which is presented as part of the value of this proposal under the periods and estimated values stated therein, and in that regard the draft agreement which was part of this proposal is included in the sub-document I also suggest to this honorable council that the relevant draft agreements should be approved so as to include the specified points.

Honorable Regional Council Member Mr. Ruwan P. Perera - Sri Lanka Podujana Peramuna

Honorable Chairman, this is the third month that Kahambiliyawatta Somananda Patu is talking about my repair. Do we have any progress in that regard, please fix the road soon. This is a major side road. I am happy regarding your proposal to carve this road. But it is clear that it is not possible to do that now. Therefore, it is requested to prepare this road as soon as possible.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

For now, let's prepare the tar. Premix maintenance is not successful. Let's put tar and prepare the stalls. Let's do it soon.

Honorable Regional Assembly Member Mr. DJ Samith Janaka Fernando - Janata Vimukthi Peramuna

Accusations regarding this road are continuously being made by the residents of that area. As there is a situation where it is impossible to go on that road, it is repeated that this should be done as a matter of necessity.

Honorable Regional Council Member Mrs. Osilma Manel Kumari Atigala - United National Party

There is a public bath on Panadura Road in Raigama East Division. The wall of that well has been blown from both sides. There are people who use that well, so they request that it be repaired. Mr. Manoj Sanjay, former president of Bandaragama local council, is ill. We in the congregation suggest that it would be good if we perform a Bodhi Puja and pray for him.

Hon'ble Regional Assembly Member Mr. Piyasena Wickramarachchi - Sri Lanka Podujana Peramuna

Honorable Chairman, spoke about road development. In the assembly, I presented these matters on several occasions. I submitted a proposal to this council regarding taking appropriate steps regarding the various problems in the village areas. Road premixing, power outages, road side cleaning are available in all these divisions. No one will like this. These can be done if you give 3 days per division. The people of the village also support it. So let us reach an agreement and give 3 days to one division. I would also like to know your response in this regard.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

The premix project could not be done in recent days due to the non-availability of Koalas. So far those ingredients Everything has been received. Members of Parliament also continued to talk about the non-development of broken roads in open water pipes. Accordingly, I advised to first repair all the broken roads during the laying of water pipes in Talpitibadda area. So far, according to the document we have, we have prepared those places in Talpitibadda area. Last week, the authority has given instructions to repair the broken roads during the laying of water pipes in the area. After that, after those roads are built, as the Piyasena MP said, I will give the opportunity to premix those roads after seeing which roads should be given priority in each division.

There was a delay in repairing the lights. In the past, the government had advised not to install and repair lights. So far we have got the necessary materials. By now, a large number of lights have been switched off. They are trying to bring it back to normal as soon as possible. After that, we will arrange to install new street lights in the areas requested by the MPs.

Honorable Regional Assembly Member W.M. Ajith Seneviratne - Sri Lanka Podujana Peramuna

Honorable Chairman, The waste disposal program is expected to continue in this way. Or is there a way to do it? Even though the council has spent a lot of money, our divisions are not getting that service. Therefore, I would like to know what the future work is for this.

Mr. M. L. Roshan Rajitha, Member of the Regional Council - Sri Lanka Podu Jana Peramuna

Honorable Chairman, I personally intervened to deliver garbage to the Horana local council. He said that one more letter is missing for the Horana Regional Sabha to implement the matter. One member of the council asked for about 50 loads of garbage to be dumped on his land. But it could not be sent because many problems arose. Since he is also a member of parliament, there will be no problem. If possible, please provide some garbage. Then we can save some money. Pay attention to that too.

Mr. Mahesh Kotalawala, Member of the Regional Assembly - United National Party

Honorable Chairman, 661 Villagers have submitted a complaint to you against a company that blocks the road leading to Namaluwa Kumbur, which is in the village official's domain in Kotalawala, and divides the land into parcels. What steps did you take in that regard? The villagers are demanding that the road to the paddy field should not be closed, leaving about 10 feet and selling the land. I say that it is better for you to talk to these paddy owners and solve this problem.

Honorable Pradeshiya Sabha Member Mrs. Champa Jayangani Kannangara - United National Party

Honorable Chairman, there is a dangerous place near the culvert on the Kolamadiriya new road, which is difficult for vehicles to pass through.

Honorable Regional Councilor Mr. W.A. Priyantha Alwis - Sri Lanka Podujana Peramuna

Honorable Chairman, Aruggoda Hirana is a grant road to Colombo. I always requested you to cut the grass on that road. Now the grass has been cut by Hirana police. But because the road on both sides is broken, the carpet road is getting broken. Can't remove a vehicle, potholes are everywhere. This has not been resolved since 6-7 months. According to the current situation in the country, it is not possible to carpet the road once in a while. Therefore, if these existing roads are not protected, it will become a big problem. Therefore, I request you to maintain these roads instead of starting new works.

It should also be said that the first building on the fairgrounds is in a very dangerous situation. If it is not resolved now, the council will suffer a great loss. It is proposed to make a work plan to fix it immediately.

Hon'ble Regional Assembly Member Mr. Chaminda Dissanayake - Janata Vimukthi Peramuna

Honorable Chairman, he said that in 2012, he got the approval of the General Assembly to build a water tower on the Kidelpitiya Samargarden public land. You were the Vice President at that time when the approval of the General Assembly was obtained. There were several other MPs. On the other hand, as soon as the consent of the council is given to take the public land to build a water tower, the section of the Housing Development Authority's public land allotment act is violated. Didn't anyone talk then that we should give this public land to a water tower and reserve a small place somewhere else for those people.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

The biggest need of the people at that time was to get water for the people of that area. There was no other option for this. From Medagama to Senapura Kidelpitiya, the people of the area were facing a big problem without any way to get water. If the pressure of water coming from Bandaragama water tower is not enough, give water to that area. According to the demand of the people, the proposal to build this water tower under the Kalu Ganga National Water Supply Project was presented to us. At that time, all the former MPs unanimously agreed to it. The people's need for water was paramount at that time.

Hon'ble Regional Assembly Member Mr. Chaminda Dissanayake - Janata Vimukthi Peramuna

At that time, the public facility land was allocated to a water tower. Now the common facility area of the temple land has been divided into a separate form. It doesn't matter either. I have received a copy of your letter addressed to the Deputy Director of the Housing Development Authority. Ita Kanaka has mentioned that "Bandaragama Divisional Secretary also inspected the place and I further inform you that the necessary legal work to reserve a part of the cemetery is already being done." that I asked the Divisional Secretary whether she agreed to give a part of the cemetery. She said she did not agree. No agreement has been received for that. It has not been received from the people either. You said to hold a public discussion but it has not been held yet.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

For that, there are more than three hundred people who expressed their interest and signed and gave signatures. These days I am busy so I could not hold that meeting. I talk to the officials and the priest of the temple and hold the meeting in the temple. One day I will inform.

Mr. Mahesh Kotalawala, Member of the Regional Assembly - United National Party

There was no opposition from the villagers when the water tower was built on the Samargadan land. Mr. Upul Indika, who was a member of parliament representing that division at that time, also agreed to that proposal. There was nothing wrong with that at that time. It was allowed because there was no problem.

Honorable Regional Assembly Member W.M. Ajith Seneviratne - Sri Lanka Podujana Peramuna

Honorable Chairman. The reason for the accidents on the roads is the problems on the roads. Some of them we can solve and some of them we cannot solve. I spoke on two occasions regarding the Pingwala road problem where you said that it has not been assigned to the council yet. butRDWhen they talk together, they say that they have been assigned. However, there is great danger there. I hope it will be fixed. You mentioned that you are preparing the roads in the divisions. We should identify the dangerous places on the roads and fix the broken places on those roads.

We built a shop for the self-employed. We did a program to sell the products of the villagers to them on two occasions. But it was not as successful as expected and the people are not interested and are waiting for the subsidy to earn some money. There was the cooperative on the other side, and it was necessary to maintain this so that the cooperative would not have a conflict. The operation of the cooperative was hampered because the cooperative was broken into twice by thieves. I suggested to the Divisional Secretary that we combine the cooperative and our concept and move this store forward. She agreed. Accordingly, the program of selling our products with the cooperative is going very successfully. Because it has been made safe, now the influence of thieves has decreased. If the wall at the back is built, the whole area will be well protected. Provide necessary facilities in that regard.

Currently, food safety and nutrition are strongly socialized. In the past, there was a food shortage, so people were encouraged to grow crops in their own gardens. But it has decreased by now. Nationally, we must take this up again or it will be difficult to find solutions to the food problem of the people. It is suggested that we implement some program as a congregation without limiting ourselves to the speech.

Honorable Pradeshiya Sabha Member Mrs. Champa Jayangani Kannangara - United National Party

Honorable Chairman, there is a plot of land on Okkanduwa road in Panape. It tells a story that builds up. It is walled up and now a gate has been put up and nothing can be seen. Night after night, soil is brought from tippers and the land is filled. Find out a little about it. The bridge on Okkanduwa Road has been

blown up. Therefore, it would be better to put two boards on both sides to restrict the passage of heavy vehicles.

Honorable Vice President Mr. Sarath R. Ranasinghe - Sri Lanka Podujana Peramuna

Honorable Chairman, Aluthgama village road carpet work has started under the lakh project. Now it is impossible to go on the road. As it is a road belonging to the local council, it is not good for the local council to have the road in that condition. We have maintained that road before. Now it has come to an impossible situation. RDCome out and go to the roadABCHave left The carpet will not be available now the way this government is going. So I say let's put some tar over this and pave the way.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

In the discussion that day, we were advised to go to carpetABCHe said that he would give the opportunity to complete the work on several projects that had been stopped in the middle. In the division of the Vice President, the two roads namely Grammana Road and Vevita Yatiyana Road were named. Most of the work on those two roads will be completed. If not, we will try another option.

Honorable Vice President Mr. Sarath R. Ranasinghe - Sri Lanka Podujana Peramuna

And the other roads are also very dilapidated. The circular of the Ministry of Finance applies mainly to other major government institutions. The financial control of those government institutions is strict. A regional council like this earns revenue. I do not think that there will be any problem in using the money sought by the council for the maintenance of the area. I suggest that the money of the regional council should be used for the development activities of the jurisdiction.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

The President has given instructions to relax the circulars. After relaxing those circulars, let's do the work we need and can do.

Mr. Mahesh Kotalawala, Member of the Regional Assembly - United National Party

Honorable Chairman, the President has issued circulars according to the situation in which this country has been appointed. Don't blame the President for that. Your government should be held accountable for bringing the country to this state. The chairman stopped the lunch given to the members of the council due to the problem of lack of money. You say to use the money of the council to build roads. We are against that.

Honorable Vice President Mr. Sarath R. Ranasinghe - Sri Lanka Podujana Peramuna

We are the representatives of the people elected by the people. We won the division. We should be accountable to the people of our constituencies. We have responsibility and accountability.

Honorable Regional Council Member Mr. Ruwan P. Perera - Sri Lanka Podujana Peramuna

MP Mahesh clearly said that he is against building roads with council funds. Record it clearly.

Mr. Mahesh Kotalawala, Member of the Regional Assembly - United National Party

At a time when this country is in a financial crisis, there is more work to be done in this country than building roads. That's what I'm saying.

Honorable Regional Assembly Member Mr. DJ Samith Janaka Fernando - Janata Vimukthi Peramuna

Honorable Chairman, MP Mahesh surprisingly agrees to cut costs. It is said that the circulars were issued because of financial problems, but the President has 14 advisers and 6 cameramen. If you take the entire staff, you can control Bandaragama, if you take the staff of the President. A party that could not get 2 lakh people's votes now needs to be inflated. They have no problem with cash vehicles. If something is done for the people of the village, money problems will come. The Chairman mentioned earlier that in the discussion with the Prime Minister, he asked to relax the circulars and allow the use of money. But the president's representative here says that he is against using that money. These stories are contradictory, aren't they?

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

It is a personal opinion of Mr. Mahesh. There will be an opportunity to relax the circulars and work according to the council provisions. Let us act accordingly.

Honorable Pradeshiya Sabha Member Mrs. Deepani Kandaanarachchi - Sri Lanka Freedom Party

Honorable Chairman, until now we have built the roads very well. In the past, even the side roads were carpeted. But after doing all these things, there is a problem of no follow-up in this country. That is the cause of national crimes. In my area, the vehicles coming from Horana side and Kalutara side in Sariraja Mawatha use that side road and come to the main road. Both light vehicles and heavy vehicles go there. The road has now sunk due to heavy vehicles. The carpet level on that road is now gone. During the rainy season, the carpet gets waterlogged and rots. I also informed you about this over the phone. Stop the heavy vehicles on this road. If possible, put a sign on this road saying that heavy vehicles are prohibited.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

That road does not belong to the council. It is a road belonging to the Provincial Road Development Authority. I would advise them to check and fix it.

Honorable Pradeshiya Sabha Member Mrs. Deepani Kandaanarachchi - Sri Lanka Freedom Party

You should force them to implement these decisions as soon as possible.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

Even though we say to stop the entry of heavy vehicles on the roads, we do not stop them by hitting such boards. They will go and examine it and see how the road will be useful for the people who travel on that road, and after investigating, they will decide whether heavy vehicles should be banned from traveling on that road or not. We can make a request. There is a special committee of the Provincial Road Development Authority that decides to stop the entry of heavy vehicles on that road. Let us make a request as a congregation.

Mr. M. Samanpa Dinendra - Sri Lanka Podujana Peramuna

Honorable Chairman, we need to talk about 3 things. The first thing is that the road leading to the Namalwa field was blocked and a land auction was being held. There was no road there, they are asking for a road. I request the chairman to direct this to the supervision of the work superintendent and take the necessary measures. The other thing is that MP Ruwan and MP Samith are talking about the Raigama Somananda Mawatha road. I was the member in charge of those divisions before going to divisional system. We built that road after spending nearly 70 lakhs. Now the road has become a drain and the drain has become a road. We request you to solve this road problem as soon as possible. Also Raigama East Ping Well is very old and a well used by many people. As per the request of MP Atigala and myself, we are requesting that Pinlanda be developed as soon as possible. Now with the current situation in this

country, when the people are unable to pay the water bill, because there are many people who use this well, we request that it be repaired as soon as possible.

Honorable Regional Councilor Mr. BG Dilan Rasika - Sri Lanka Podujana Peramuna

Honorable Chairman, I request that the maintenance of the road mentioned by Priyantha be done soon. Because of the potholes on that road, a child has fallen into a trap with his father. It is impossible to go that way. If two vehicles come, one vehicle has to be backed up. Only about 50 meters of this has to be built, it would be a great thing if it can be built quickly.

Honorable Regional Assembly Member Mr. DJ Samith Janaka Fernando - Janata Vimukthi Peramuna

We have always talked in this House about the Wevita Lake. It looks like something is being done with the lake again.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

The coordination committee will be implemented by next week. In particular, when I made a request, there are several development projects that have been stopped in the middle and the damage that has been done to the lake should be talked about.

Honorable Regional Assembly Member Mr. DJ Samith Janaka Fernando - Janata Vimukthi Peramuna

Mr. Chairman. Although this Sabah did not talk about the laying of the Atulugama high-voltage power line system, it should be brought to your attention. So far, most of the business has been completed. According to the situation in Atulugama, such a high voltage power line system is not possible. The people of Atulugama have been planning this institution well in advance. In one house, the pillar is in the middle of the kitchen. Somehow, those people have been made to agree. Such a thing cannot be implemented in such an extremely densely populated area. At a legal workshop, MP Nafli presented this issue to the Legal Officer of the Local Government Department. Even she was surprised how a project like this could be done in such a place without taking permission. What a risk this is taking. Aren't there people in Atulugama? The regional secretary is also using her power to the fullest in this regard. What action did we take as a council? The electricity board doesn't care. We need to think with a philosophical mind regarding the people of Atulugama, there are children who are good at sports in Atulugama. It is never good to push those people into a narrow place. We should intervene if we can. I am intervening in this regard. A case has now been prepared to be filed in the Court of Appeal. The relevant persons have been referred to the Human Rights Commission. We are taking the best possible action in this regard. The lives of the people of Atulugama were sacrificed for one company. Institutions need such power supply. But they are put from unpopulated areas. When you do something like that, you have to take over the land and pay for it. Law officers know very well that this is wrong. In this regard, we as a congregation should oppose this as people in our jurisdiction.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

In this regard, the Divisional Secretariat formed a separate committee and started implementing the project. The local council has nothing to do with this. At the request of the people, I went to some places and checked what steps should be taken. The local council was not contacted during the implementation of the plan.

Honorable Regional Assembly Member Mr. DJ Samith Janaka Fernando - Janata Vimukthi Peramuna

We also have a problem as to why the Divisional Secretary is behaving in this way. They say that most of these are illegal constructions. Unauthorized construction has been done because those people also have no place. A government should have a vision regarding the community. Unauthorized constructions are in many places. Are they trying to kill Karant Vaddala for trespassing? It is definitely requested to intervene in this as a council.

And I want to say one more thing. An unfortunate incident happened in the last council term. There was a conflict when the MPs were expressing their views. It's very rude. When expressing opinions, everyone expresses opinions opposite to them. We present opinions on politics. There is no need to get into a conflict just because the conversations took place. Samanpa MP is a mature MP. And a member of parliament who has a lot of will of the people. Therefore, a request is made not to maintain such behavior.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

I am also sorry for what happened that day. After coming here, all the MPs for and against me are one. If anyone is hurt or inconvenienced, we are sorry for that. I also request that you do not engage in such behavior and work as a group in a friendly manner. I hope that everyone will deal with the arguments, but they will end there and not get into a conflict.

Honorable Regional Assembly Member Mr. DJ Samith Janaka Fernando - Janata Vimukthi Peramuna

Also, if an uncivilized speech came out of our mouth while expressing our opinions impulsively, we should learn the virtue of withdrawing it at the same time. At this time, we request to act in such a way that everyone's self-respect is protected.

Mr. M. Samanpa Dinendra - Sri Lanka Podujana Peramuna

Mr. Gara Chairman, mentioning my name, it was mentioned that the way I behaved in the last assembly was wrong. When I go on a political journey, there are people who like and dislike and fear. All the former MPs saw what happened. As you said, with a respectful invitation, I was asked to withdraw the statement. In the process, we solved our problem. I became a senior member because of people who did politics honestly. When I leave here, all these MPs are the same to me. In that event, you should also look at the other side why you did that. I represent the Podujana Peramuna. I am not afraid of challenges. I know that Mr. Samith did not tell me that out of political hypocrisy. But think both sides and find out no matter what anyone says.

Mr. M. L. Roshan Rajitha, Member of the Regional Assembly - Sri Lanka Podujana Peramuna

I don't want to talk about the incident again. I am a person who has never had a conflict with anyone in the village. After studying politics for about 30 years, I joined this politics by choosing a political party. I worked and helped many parties. I chose the political party based on the current situation of this country and the political future of this country. There was a bond with all the MPs that went beyond a political bond. I was not sidelined by the National Freedom Front. When there are problems in the divisions, I have also gone with the chairman and discussed the necessary matters and given the necessary instructions. There is a fraternal bond with all these MPs. I have no personal competition with anyone. Something happened when I spoke impulsively that day. As he said, we can solve them by talking. This Supreme Council is not a place for show of force or a place for harsh words. A place to solve the problems of the village people. We have to maintain discipline and work properly here. Therefore, if anyone was inconvenienced by me that day, I express my regret. I would like to express my thanks to Mr. Samith for his comments in this regard.

And it should be said that it is near Katina Pankama of Delgaswatta Temple. This road has become impassable for years. Requests were also made in the industry committee to build this road. It is requested to leave the premix at such a necessary place. Also, even though the Siriraja Mawatha mentioned by MP Deepani is not our own road, it was cleaned twice with the machinery of the council. There is no permanent drain there. During the rainy season, there is a dip in the road due to standing water. People think that this road belongs to the council. Therefore, this should be done as soon as possible after informing the Provincial Road Development Authority.

Honorable Regional Councilor Mr. KH Darshana Priyantha Peiris - United National Party

Permission from the Honorable Chairman. The beloved mother of Mr. Asiri, Revenue Inspector of Bandaragama Regional Council, passed away recently. The council has expressed its condolences in this regard. Also, the former Deputy Principal of Alobomulla Maha Vidyalaya, Mr. Lakshman Jayathilaka, passed away recently. He became ill while he was actively engaged in official activities. A person who has done great service as a person with humane qualities as an educated intellectual for a period of 56 years. Also, senior photographer Mr. Rangana Atigala passed away recently. The Bandaragama local council takes this opportunity to express its condolences to all three funerals.

Also, there was talk about road development. The circular issued for that purpose was discussed in connection with the crossing. I think that all of us are supported by people's tax money. People pay taxes to serve the people. These institutions were formed based on the theory of abolishing the king's leadership and decentralizing power in Athens, Greece. Therefore, a local government has independent power. A regional government has autonomy to serve the region. We are committed to fix the road system. We must do that. The comments of honorable members are timely comments. Local governments should do the work fairly. There is still corruption and waste. It is wrong to try to control them with such things. There is still a lot of corruption and waste in the country. The main citizens of this country are enjoying all the privileges. No one has worked to reduce corruption and waste in this country. Therefore, we should look at this in moderation. It is useless to think that corruption will stop because our leader has arrived. There has been a revolution in the society in 71, 88-89 and 2022. We need to understand it and make a solution for it. Therefore, I believe that all of us should implement the proposal brought by the vice president as a council in this council. The vice president is a winner of the independent division. Therefore, he has a right directly related to it. He has accountability and responsibility for the division. Mr. Samith mentioned that according to this House Act, we will also be treated as MPs. That honor has been given to us by the government party. There is still a little time for local governments. It would be good if we could fix these roads in that short time. The needs of the common people of the area must be fulfilled. No matter how many circulars the Chairman has, he will work for the next few months.

Councilor Chaminda talked about us as councilors agreeing to the construction of the water tower. There was no objection from the people at that time. This water project was done based on the water needs of the people. If there was a public protest, I would protest as an individual.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

Mr. Asiri's mother Mrs. Ariyawati Perera passed away recently. All the members of the party and opposition were informed by the council. I also suggest sending condolences to his family.

Mr. M. L. Roshan Rajitha, Member of the Regional Assembly - Sri Lanka Podujana Peramuna

At the end of Pamunugama cemetery road, about 25 houses are submerged due to one person filling the canal and wela. About 20 houses will be damaged by it, and one of them has a disabled child. I have also received about 30-40 letters in this regard. We decided to remove it but did not remove it.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

There was a legal problem. It has been entrusted to the lawyers to get an order from the court to do the legal work. An order has been taken and demolition is underway.

Mr. M. L. Roshan Rajitha, Member of the Regional Assembly - Sri Lanka Podujana Peramuna

20 families become destitute due to the need of a single person. Also, when the Legal Officer of the Urban Development Authority came, I asked her this too. She clearly said that it is our right to remove it. That road is a road owned by the local council, please solve this problem as soon as possible.

Honorable Pradeshiya Sabha Member Mr. Pranith Welivitage - Sri Lanka Podujana Peramuna

Permission from the Chairman. I would like to thank the chairman for preparing the Bandaragama market lane using premix. And there I saw some small things. After putting the premix, the grinding machine stops at 5 minutes. There is a technical error. Also, there is a small corner where you can buy premix. It takes a long time to get the premix. Consider those two things.

Also, as Rajitha MP said, Delgahawatta Temple Road has not been paved for a long time. Also, Haddagoda Samaranayake Road is requested to be completed soon. Due to the Atulugama high voltage power line system, not a single light is lit on the road leading from the house of Mr. Raja Samaranayake to Atulugama. It is requested to arrange it as soon as possible.

Also, it should be remembered that after 21 years, the Provincial Kabaddi champion, Bandaragama Pumakha Kalutara district team won. 7 Bandaragama players competed in the team. I helped the team as much as I could.

Also, myself and MP Simsar represent the Hospital Committee of Bandaragama Hospital. MP Simsar made a great contribution to resolve several deficiencies in the hospital. It should also be mentioned. Also, a wire in the village shop building has been cut. Therefore, it is requested to make it soon and finish it. Also, weeds have sprung up on both sides of Bandaragama President Mawatha. It is requested to do the grass cutting work on those roads as soon as possible.

Hon'ble Regional Assembly Member Malinda Kaluarachchi - National People's Party

Honorable Chairman, it was mentioned that the coordination committee will meet again. We also made many proposals to the development committee in the past, but we have not been able to do anything yet. At least one illegal light pole could not be removed. The Chairman of the Coordinating Committee does not make decisions for the number of officials. There is no point in having such a coordination committee. When the chairman takes a decision, there should be officers who can implement it. Therefore, I request you to draw your attention to it and spread awareness where necessary.

Hon'ble Regional Assembly Member Guruge Madhava Dilanka Perera - Sri Lanka Freedom Party

Honorable Chairman, this may be my last parliamentary term. Three MPs were elected to the Bandaragama constituency from the Sri Lanka Freedom Party. Talpitibadda should definitely get an MP from among them. But that justice was not received until 4 years. Somewhere got a councilor for Talpitibadda. I promised to give this opportunity to someone else before disbanding the assembly. If someone from Talpitibadda is presented, I am ready to give up my MP and give it to that person. I would like to thank everyone who has supported me so far in this council. Thank you to all the officers including the secretary. During the short time I was in this council, I did what I could to the Talpitibadda people. It is difficult for us to serve the people in this political system. I don't know how my political journey will be in the future. I probably won't be able to come to the next meeting. Thanks everyone.

Honorable Regional Councilor Mr. KH Darshana Priyantha Peiris - United National Party

Honorable Chairman, if MP Madhava says he is resigning, he should be contacted. If he is there, he can stay for a short time. MP Madhava was in politics for a while as a young MP. We wish you the best and don't give up on politics. According to this politics, even though we are elected as MPs, we do not get the opportunity to do big work. Each one of them is doing their best in politics at different levels. In politics,

act according to the opportunity of the moment. If you have the opportunity to compete, we will hold an opinion regardless of the party we belong to. Come to politics from a suitable place in the future.

Mr. M. L. Roshan Rajitha, Member of the Regional Assembly - Sri Lanka Podujana Peramuna

Permission from the Honorable Chairman. MP Madhava first contacted me when he got in touch with the ruling party team after getting the appointment. We have never given him wrong examples. I put him in touch with the chairman. I think his decision to leave is not appropriate. This council has only been around for a short time. MPs like you should not stay away. I request you to stay in politics to serve the people. If that party does not suit you, choose a good party and serve the people. Best wishes for your future.

Honorary Chairman Mr. H. A. H. Devendra Perera - Sri Lanka Podujana Peramuna

I would like to conclude the work of the House by expressing my respectful thanks to the Honorable House of Councilors led by the Honorable Vice President, the staff including the Secretary and the people of Bandaragama who came to the House today and supported the work of the House in a proper manner and wished everyone a good day.

At 01.40 pm the work of the House was concluded.

H. A. H. Devendra Perera
Chairman,
Bandaragama Pradeshiya Sabha
